

AutoMARK VOTER ASSIST TERMINAL (VAT) - LOGIC AND ACCURACY TEST CERTIFICATION

Name of city, township or village

Name of county

(Check election date below)

___ February ___ May ___ August ___ September ___ November ___ Other (enter date)

PRELIMINARY ACCURACY TEST (The Preliminary and Public tests are the responsibility of the Election Commission. The Election Commission may delegate the administration of the tests to an authorized assistant.) The undersigned certifies that the listed voting assistance terminals (VATS) were prepared according to the attached check-list and were tested using the test decks prepared under the direction of the Election Commission; the test results demonstrated that the official ballots were properly marked and that the ballot specific information agreed with the program edit listings. Further, the test decks, were secured using the seal # listed below. The proper program was installed into each terminal using the seal # recorded on the Clerk's Preparation Certificate in the Poll Book of the precinct to which the terminal was assigned.

PUBLIC ACCURACY TEST - We, the Accuracy Board, hereby certify that notice of this test was published 48 hours prior to the conduct of the test and that the container holding the test materials was sealed with the seal recorded on the Preliminary Accuracy Test Certificate above. The listed terminals were tested at the Public Accuracy Test using the test deck prepared under the direction of the Election Commission; the test results demonstrated that the official ballots were properly marked and that the ballot specific information agreed with the program edit listings. The test decks were secured using the seal # listed below. The program(s) used at the test was installed into the proper terminal using the seal # recorded on the Clerk's Preparation Certificate in the Poll Book of the precinct to which the terminal was assigned.
